

My name is **Terry Edwards** and I would like to ask for your support in the forthcoming LDC election, to continue to represent all drivers at Waterloo.

I have represented all drivers at Waterloo for the past twelve years as both a co-op and fulltime rep.

I have always endeavoured to protect our terms and conditions and represent all drivers to the best of my ability. I have successfully represented many drivers at hearings for B10, attendance, and removal from driving, accommodation and form 1 hearings. I have also scrutinised diagrams and complied rosters. I have also negotiated agreements along with the other members of Waterloo LDC (i.e. Taxis from home on rest days and the mutual exchange of duties)

Waterloo is very important to me as a driver and as a rep and my driving force will always be to ensure that all drivers at Waterloo get the best representation that they can.

I am not afraid to speak my mind and to tell people things they don't always want to hear but it will always be with their best interests at heart. I never presume to know it all and will always listen to constructive arguments and criticism. I am proud to be a Waterloo driver and even prouder that I have had the honour and privilege to represent all drivers of Waterloo over the last 12 years.

The next few years will be challenging for us as a grade and as a depot, and I am ready, and I feel able to meet these challenges with you and on your behalf.

I would like to hope that in the last 12 years I have demonstrated my commitment to you and Waterloo as a depot. Therefore I am asking for your support in the upcoming LDC election.
